A New Season for Your Skin.

0319 BY MITERA

0319 by miTERa proposes the moment spring begins anew
on your skin. Grounded in the Hebrew calendar's symbol
for the first day of spring, we deliver the sensation of
recovery and regeneration through minimalist packaging
and refined language.

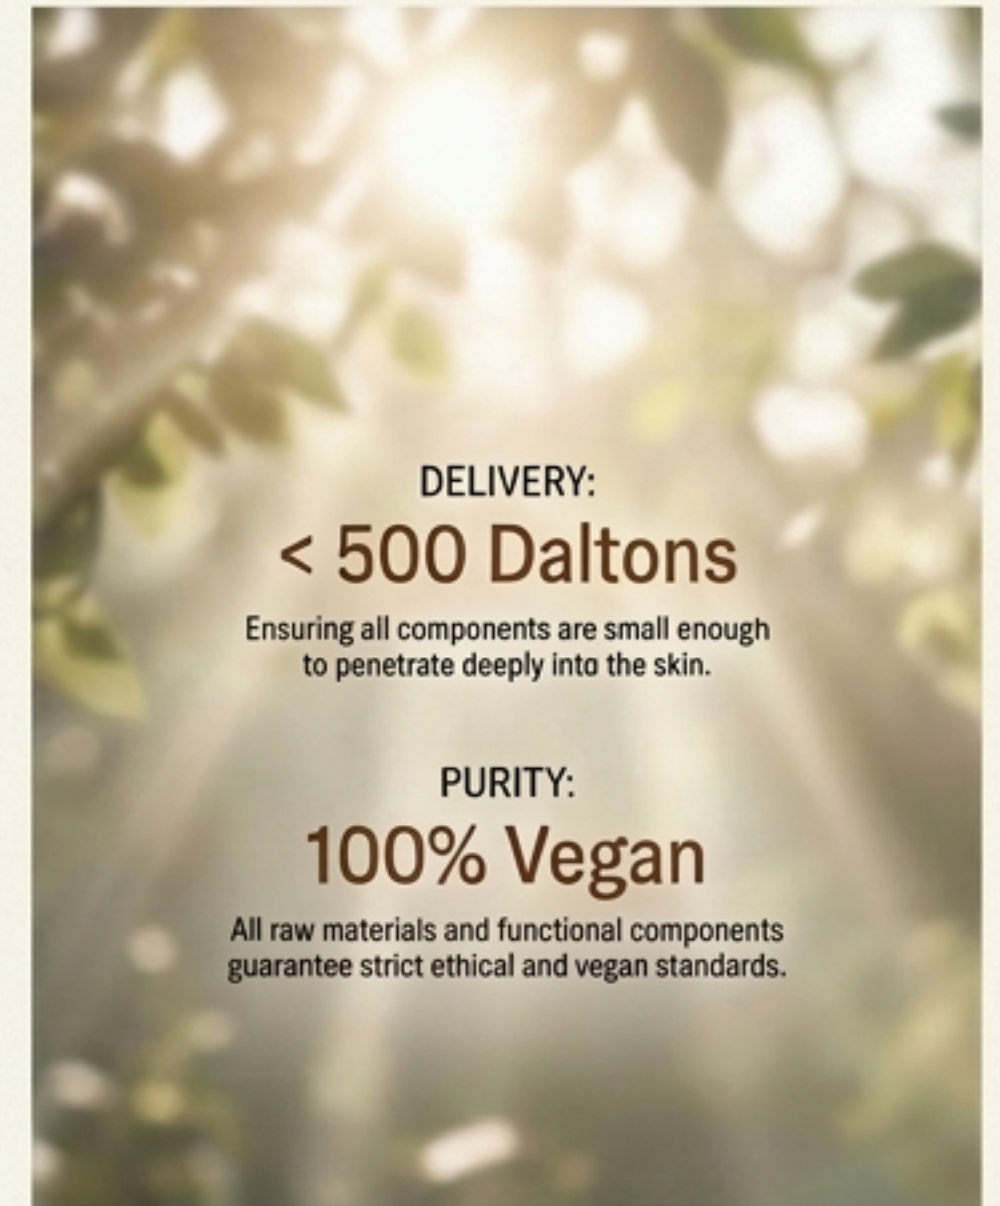

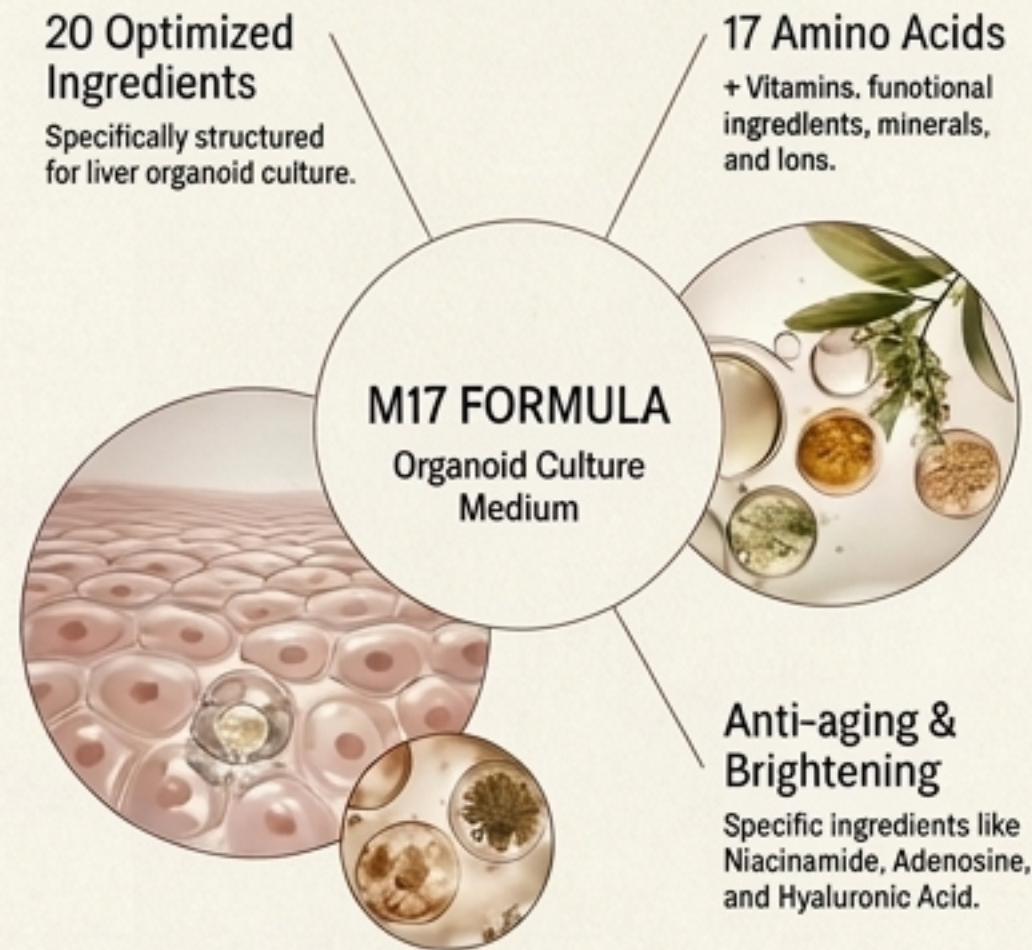

The Code for Reawakening

0319 signifies the day spring begins.
The brand translates this symbol into
the language of the skin.

*Stalled rhythms reawaken.
Collapsed conditions are replenished.
Your skin welcomes its own personal spring.*

Technology, Distilled.

The M17 Formula offers an advanced skin reconstruction program, utilizing autologous cell regeneration and breakthrough organoid culture medium-based technology.
