

The effects of Jeju tangerines on the skin

*JEJU tangerine peel is 4 times higher than the fresh in terms of vitamin C contents!

jeju JEJU ISLAND.

JEJU Island is a world-class clean island that has been listed as a UNESCO World Heritage Natural Site, where the island's natural beauty has been conserved.

JEJU TANGERINE.

The Jeju Tangerine is treasured by everyone, having been produced from volcanic rocks, natural mineral water and the clean air from the region. In particular, the Jeju Tangerine has a much higher hesperidin content, which allows for stronger brightening, moisturizing, and soothing effects.

Qyo Qyo

Qyo Qyo products are made from natural ingredients and based on the peels of tangerine harvested in Jeju Island.

*Registered on CPNP, CFDA, EAC, TFDA
